[India-Israel Ties: Moving Beyond Defence Cooperation – OpEd](#)

Shashwat Tiwari explains the importance of President Pranab Mukherjee's state visit to Israel and how this evolves relations beyond Defence Cooperation to greater trade and commerce.

OVAL Report

PACKAGING FOR PUBLIC HEALTH

The report highlights the progressive tobacco control measures that are being adopted by countries across the world including the pioneering move made by Australia. The objective of the report is to highlight the compliance of these measures with the World Health Organization's Framework Convention on Tobacco Control (As provided in the FCTC checklist). As part of the comparative analysis, the report also highlights various sections/articles in these legislations, which can be adopted by India in its public health drive to curtail the spread of tobacco addiction.
